permitted in the SEBI “Circular on Prevention of Unauthorized Trading by Stock Brokers” dated March 22, 2018 or as may be amended from time to time.

Freezing/blocking the online access of the client’s trading account:-

- i. Upon successful validation, the client’s trading account shall be frozen/blocked from the online access.
- ii. The client will continue to have offline access to the trading account i.e. the client will be able to place orders through the Authorized Person / dealer / call and trade and carry out any other offline activities such as raise request for statements, carry out client master modifications through physical requests etc.

Simultaneous cancellation of all the pending orders of the said client:-

- i. All pending orders of the client in all segments shall stand cancelled.
- ii. No fresh orders shall be allowed to be placed through online access.

Scenario and timelines:-

Scenario	Timelines for issuing acknowledgement as well as freezing/ blocking of the online access of the trading account
Request received during the trading hours* and within 15 minutes before the start of trading.	Within 15 minutes
Request received after the trading hours and 15 minutes before the start of trading.	Before the start of next trading session

* Trading hours shall be as follows: Capital Market Segment: 9.15 a.m. to 3.30 p.m., Equity Derivatives Segment: 9.15 a.m. to 3.30 p.m., Currency Derivatives Segment: 09.00 a.m. to 05.00 p.m., Commodity Derivatives Segment: 09.00 a.m. to 11:30 p.m.

Post freezing/blocking the client’s trading account:-

ACML shall send a communication on the registered mobile number and registered e-mail ID of the client, stating that the online access to the trading account has been frozen/blocked and all the pending orders in the client’s trading account, if any, have been cancelled along with the process of re-enablement for getting the online access to the trading account.

Details of open positions (if any) would also be communicated to the client along with contract expiry information within one hour from the freezing/blocking of the trading account. This will eliminate the risk of unwanted delivery settlement. This time limit may be contracted after Exchange’s review and would stand effective as modified from time to time.

Risk Management:- It is clarified that:

- i. Freezing/blocking is only for the online access to the client’s trading account, and there shall be
